## 1. Preamble

We "**Lantec**", and you our "**Customer**", already operate under our published Terms of Service "**Agreement**" for the provision of various Lantec Services, in the context of which, Lantec may process Personal Data.

The purpose of this Data Protection Agreement ("**DPA**") is to set out the data protection requirements that apply to the provision of Lantec Services and ensure that Customer and Lantec comply with prevailing Data Protection Laws.

This DPA is incorporated into and forms part of your Agreements with us. It replaces and supersedes any obligations in relation to data protection therein. In the event of a conflict between the Agreements and this DPA, the terms of this DPA shall prevail.

The subject matter, duration and nature of the processing, the types of Personal Data and applicable Data Subjects are described in the Agreement and any service terms or schedules attached thereto.
- 4.2 In so far as Lantec processes Personal Data on behalf of Customer as a Data Processor, Lantec will (and will require that Lantec affiliates will):
- 4.2.1 Only process Personal Data in accordance with the Customer’s documented instructions, including as set out in the Agreement and this DPA and ensure that Lantec personnel process Personal Data only on such instructions of the Customer, unless processing is required by UK or EU or member state law to which Lantec are subject, in which case Lantec shall, to the extent permitted by such law, inform Customer of that legal requirement before processing that Personal Data;

unlawful forms of processing and ensure a level of security appropriate to the risk presented by the processing;

4.2.4 Ensure that only those personnel who need to have access to Personal Data are granted access to it, and that such access is granted only for the proper provision of the Services;
